FROM THE PRINCIPAL'S DESK

WELCOME TO MAHESHTALA COLLEGE

Dear students, parents and well-wishers, I welcome you all to Maheshtala College - an institution committed to delivering quality knowledge to today's youth and mentoring them to emerge as successful and upright citizens of the country.

At Maheshtala College, we have always believed in upholding the rich cultural and traditional values bequeathed upon us by our glorious forefathers of our state : simultaneously enriching our students with a modern outlook that inculcates curricular understanding and job-oriented skills. We also have a bouquet of facilities for all our students that include free Computer Certificate Course for all students, Add On Courses that include AI (Artificial Intelligence), skill-based topics, Internships at reputed organisations such as Infosys Foundation.

Our teaching and non-teaching staff always strive to reach out to our students to give them the best holistic education, and ensuring that their path to progress is truthful, trouble-free and trailblazing. While entering our campus, one will be greeted by the memorable quotes of great men and women that remind us of our rich heritage and on entering our campus, the simple green beauty of our humble institution, smiling faces of our dear students and staff, and the tranquil ambience will remind you of the ancient adage, *Vasudhaiva Kutumbukam – The World is a family.*

I welcome you to study at Maheshtala College – choose a Major or Multidisciplinary Degree course in Arts, Science or Commerce and I promise to give you a lifetime experience of Education, Empathy, Empowerment and Excellence.

Come, be a part of our loving MC family!

Dr. Rumpa Das
Principal

Message from IQAC Co-ordinator

On behalf of the Internal Quality Assurance Cell (IQAC), I welcome all the students to our Maheshtala College family. The IQAC is an integral part of the college that works towards realizing the goals of quality enhancement by developing a system for conscious and consistent improvement in different aspects of functioning of the college.

It is the duty of IQAC to ensure accountability and transparency in the quality management system of the college, particularly in teaching-learning. It collaborates with the Principal and the management for development of infrastructural resources of the college for adequate, appropriate and better facilities, conducive to teaching and learning. The IQAC works towards inculcating a rational bend of mind in students and ensuring their holistic development so that they can excel not only in academics but also in sports and fine arts, and engage in community and social development. IQAC Maheshtala College firmly believes in upholding the vision and mission of the college in all that is believed and all that is performed in the college.

The IQAC warmly welcomes you to MAHESHTALA COLLEGE and assures to help you in all possible ways to realise your potential and fulfil your dreams.

Dr. Deepa Bhattacharyya
IQAC Co-ordinator

Vision

Education, Empowerment, Equity , Excellence

Mission

- Ensure education and opportunities for all
- Empower students to ideate, innovate and aspire to become global citizens

Objectives

- To provide 360 degree quality education which will enable students to thrive in academics as well as motivate them towards character building, leadership, extra and co-curricular activities
- To disseminate knowledge and encourage skill-acquisition to increase competence and capability in a fast-evolving world
- To uphold plurality and respect for all through community engagements
- To edify today's youth about country's ancient values, culture and traditions through interdisciplinary and cross-cutting approach
- To foster and facilitate 'learning to earning' trajectory in students through industry-academia interface, entrepreneurship and skill development, and encouraging innovation and sustainable development.
- To sensitise students about contemporary issues, their responsibilities towards nature, the society they live in, and towards the country and countrymen.

Goals

- ❖ Inspire courage to know
- ❖ Inculcate global outlook
- ❖ Access appropriate knowledge and skillset
- ❖ Express moral and ethical values through actions
- ❖ Update, upscale, upgrade

CORE VALUES OF THE INSTITUTION

Knowledge is that which liberates
सा विद्याया विमुक्तये

KNOWLEDGE IS POWER

KNOWLEDGE IS THAT WHICH LIBERATES
LIBERTY IS THAT WHICH EMPOWERS THE INDIVIDUAL
EMPOWERMENT ENLIGHTENS SOCIETY & NATION
SOCIETY & NATION DEFINE THE INDIVIDUAL

The core values of the institution have been formulated keeping the Sanskrit adage and the college motto in mind and are as follows:

COMPASSION

The ethos of compassion and kindness must inform all thoughts, words and actions of all stakeholders of the college – Students, alumni, parents, teaching and non-teaching staff, Principal and Governing Body of the college

SOLIDARITY

Every individual connected with the college should believe in hand-holding and should treat every fellow human being as a member of the global family, implementing the essence of 'VasudhaivaKutumbakam'

RESPECT

Respect is earned when given, and every stakeholder of the college is committed to show respect to every one in a befitting manner, irrespective of caste, creed, gender, status or designation.

RATIONALITY

Knowledge opens the mind's eye and inspires everyone to seek answers to questions, and not accept anything blindly. At Maheshtala College, rational outlook is what forms and informs identity

SELF-DEVELOPMENT

Education that does not make a better individual out of the existing one is futile. Education that emboldens with knowledge of cutting-edge issues, transfers skill and expertise that places a boy or girl in the trajectory of success and customises her/his outlook towards humanity is the kind of education that Maheshtala College is committed to disseminate.

HUMAN VALUES AND PROFESSIONAL ETHICS

❑ HUMAN DEVELOPMENT

At Maheshtala College, we believe in uniqueness of each individual – Beside identification and sustenance of a student's inherent talents, the Mentor-Mentee system promotes the ancient guru-shishya parampara, the trust template between teacher and student through regular interactions, within and outside the classroom, supporting and assisting their curricular, co-curricular and extra-curricular activities. The bond forged at admission time continues lifelong, and the registered Alumni Association of the college actively nourishes this ecosystem of education-enlightenment beyond the campus.

❑ EMPATHY

Catering mostly to students belonging to economically-challenged backgrounds, the college supports students who have to overcome innumerable obstacles to pursue their dream of higher education through Vidya-Amritam scholarships, knowledge and employment –oriented Certificate, Add On, Value Added courses, remedial classes and community engagement through NSS and Unnat Bharat Abhiyan programmes that allows them to reach out to neighbourhood people. Visits to the adopted village of the college, Haatberia, teach students to share and care and dare to rise above difficulties.

❑ INCLUSIVITY

The college has students, teachers and teaching staff belonging to different gender, communities, castes, speaking different languages, following different religions, and believing in different ideologies and yet all happily belong to the same Maheshtala College family. Classes on Inclusivity and Value Education are mandatory for all students, and every year on the day before Winter Vacation, a Communal Harmony Programme is organised by the college where students and teachers present programmes that reflect their unique identity – Speeches and songs in Hindi, Bangla, Nepali, Rajbongshi, Santhali, reflecting snippets from various cultures are performed by students, alumni, teachers and non teaching staff.

HUMAN VALUES AND PROFESSIONAL ETHICS

❑ COLLABORATIVE GROWTH

Respecting our philosophers and philanthropists who upheld that service to mankind is actually service to God, most of the activities of the college integrates needs of the stakeholders of the college along with that of the community. Hence, our college grounds are used daily in the mornings as playground by autistic children studying in a local NGO , Medical Camps organised in the college welcomes local people from neighbouring areas, our NSS volunteers regularly undertake cleanliness programmes, health and hygiene awareness camps, organise Children's Day fun-filled activities and events for children of local free primary schools. The Academic linkages and Memoranda of Understanding with colleges all over the state (as far as Purulia, Darjeeling, Sundarbans and many other) foster a sense of solidarity and universal fraternity among the students.

❑ RESPECT FOR NATION , COMMUNITY & TRADITION

The college believes in inclusive growth and adheres to the teachings of the great personalities of the country such as NetajiSubhas Chandra Bose, Swami Vivekananda, Rabindranath Tagore, Mahatma Gandhi, Sardar Patel. SavitribaiPhule , Begum RokeyaSakhawat Hossain, KaziNazrul Islam and the like. *Sampurnaa*, a weeklong academic and cultural fest is held every year in the first week of March to commemorate International Women's Day and uphold Equity – Empowerment- Excellence. Days of national importance such as Independence Day, Republic Day, Youth Day (12th January), Constitution Day, are held, along with NSS Day, National Voters' Day, College Foundation Day, Kasturi Das Memorial Lecture (in memory of our illustrious patron), NSS Day, VasantUtsav, Anandamela (to celebrate Durga Puja and Eid ulFitr) and many more.

❑ PROFESSIONAL ETHICS

Teaching and non teaching staff (along with students) are sensitised about Code of Conduct of the college, responsibilities as citizens through their duties in several elections (by Election Commission of India and Block Development office), programmes on Fire safety (organised by Fire Safety Dept, Govt of West Bengal) , social evils such as trafficking of women (organised by Project Swayamsiddha – A Kolkata Police initiative) eve teasing, crimes on women (organised by local Maheshtala Police station) as well as their duties in official capacities through several administrative training programmes, orientation and capacity building programmes.

Maheshtala College is prominently located beside the Budge Budge Trunk Road, amidst soothing green surroundings. The college was established on 9th November, 1971 epitomising the cherished dreams and hard work of some visionaries of Behala, Maheshtala and Budge Budge. The objective was to impart quality collegiate education to the local students, who earlier had to travel a long way for higher education or discontinue it midway.

In 2005 & 2016, the college has been accredited by the NAAC. The college is ISO 9001, ISO14001 & ISO 21001 Certified Institution, and is about to be reaccredited by NAAC.

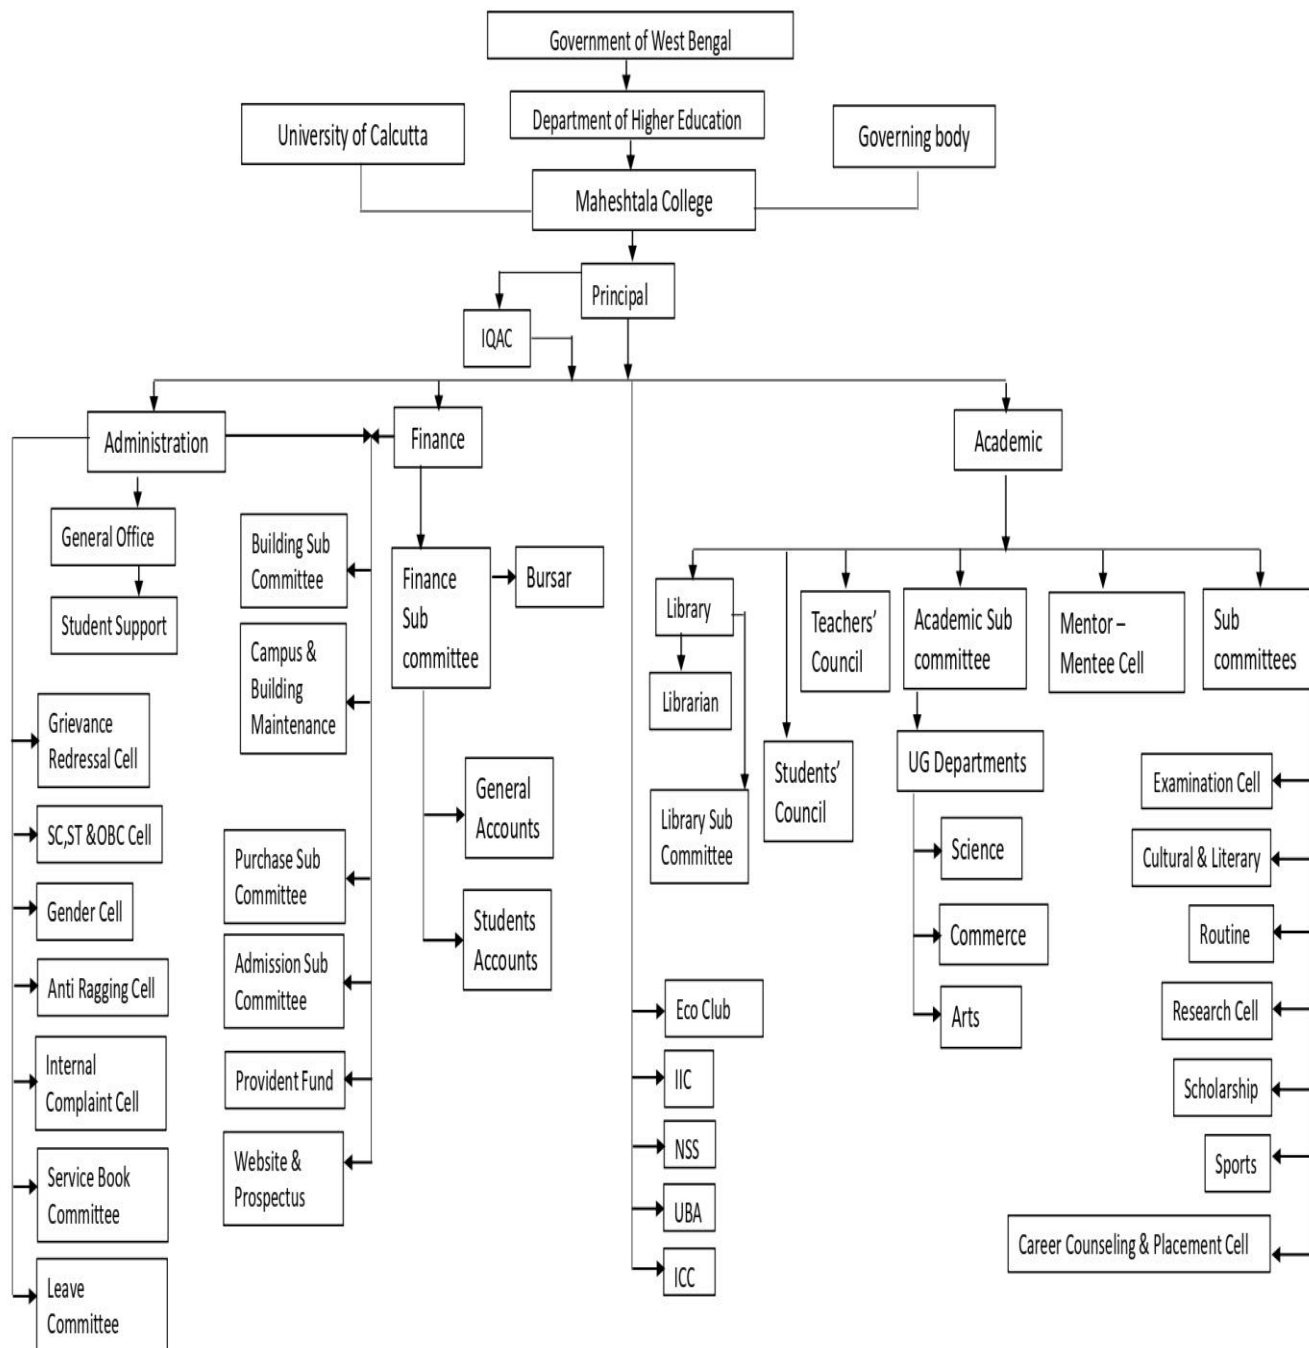

Maheshtala College is housed in four blocks amidst green surroundings. Imparting comprehensive education both within and outside curricular framework, ensuring holistic personality development of students in academically conducive ambiance, Maheshtala College has been mentoring students to aspire for higher education, cultivating skill-sets, independence and confidence that make them ready for the job market as well as self-employment. The unstilted commitment of all staff members, fully automated administrative network connecting all departments of the college and a young, enthusiastic student community -all contribute towards making the college a centre of academic eminence.

The College offers Major and Multidisciplinary courses of four and three years in BA, BSc and Bcom, following Curriculum and Credit Framework of Calcutta University. The college offers ADD ON Courses on a plethora of topics both singly and in collaboration with many eminent higher education institutions. The college is also a Local Chapter of Swayam NPTEL and students can supplement their selected course of study by accessing these MOOCs. The College Central Library is a knowledge hub and offers diverse educational resources. Learning Management System and Mentoring System help in ICT competence and overall development of the students.

Beside government scholarships such as Kanyashree, Aikyashri, Swami Vivekananda Merit cum Means Scholarships, students can also avail Students' Credit Card facilities. College also offers Vidya Amritam scholarships and fees concession to meritorious students. College has seat reservation for SC, ST, OBC A and B, Physically Challenged and Economically Weaker Sections of society according to government rules and regulations.

The college has Memorandum of Understanding with many colleges, universities, NGOs, business and trade units, CA firms that allow the students to have first hand industry-academia exposure, undergo trainings and internships and also get placement offers. The Institution Innovation Council of the college, under Ministry of Education, Govt of India also regularly organizes entrepreneurship development programmes, skill transfer trainings, capacity building programmes.

In February 2023, Maheshtala College hosted the South 24 Parganas District Sports and Games Championships, organised by the Dept of Higher Education, Govt of West Bengal. Different cultural and Sports events and programmes are held throughout the year. Electoral Literacy Club, NSS and Vasundhara Eco Club hold various activities to create awareness about society, nation and the planet every year.

Code of Conduct for Students

Students seeking admission to College as well as existing students should give an undertaking countersigned by their parents promising to abide by the guidelines of discipline.

A student prosecuting a regular course of study for semester wise degree course shall have to clear all semesters in all respect within a span of seven years from the year of admission to the particular course and combination, failing which *enrolment of the student shall stand cancelled*.

Explanation: A student already admitted in this course may seek fresh admission with different course/ subject combination (with respect to Major/ Minor subjects) subject to clause no 4.

3. Applicability of the Regulations:

- a) These regulations shall be applicable to the students taking admission to the B.A./ B.Sc. Course from the academic session 2023-2024.
- b) Students who have already successfully completed any U.G. degree earlier are not eligible to take admission into above course.

I-Admission Regulations

4. (a) A student who has passed the Higher Secondary (10+2) or its equivalent Examination is eligible to seek admission to the 1st year of the B.A./B.Sc. (Single-Major) Course of Studies provided the candidate has also passed in English having full marks not being less than 100 and fulfills the conditions as laid down in clause 5, 10, 11 and 12.

However, no student shall be allowed to take admission after a lapse of more than 3 years from the year of passing the previous qualifying examination.

(Explanation: The year of admission shall not be taken into account while calculating three years from the year of passing the previous qualifying Examination).

4. (b) Students who have passed the Higher Secondary (10+2) Examination or its equivalent from the All India Boards/Councils (i.e. CBSE, ISC and National Institute of Open Schooling) need not require to submit the Migration Certificate for getting Registration under this University.

5. For the purpose of determining eligibility for admission to the B.A./B.Sc./ (Single-Major) Courses, aggregate marks shall be calculated by adding the marks in top-four subjects in order of marks secured by a student. However, marks in compulsory Environmental Education/Studies shall not be taken into account for calculation of aggregate marks. However, if the subject “Environmental Science” is studied as an elective subject of 100 marks, it may be taken into account for the purpose of determining the aggregate marks.

(a) A student taking up Major Course in a subject must have obtained:

i. A minimum of 50% marks in the aggregate and 45% marks in the subject or related subject at the previous qualifying examination.

Or

ii. 55% marks in the subject or related subject at the previous qualifying examination.

Or

iii. 50% marks in the aggregate when the student has not studied the subject in his/her previous qualifying examination provided all other clauses are satisfied.

(b) Students belonging to Reserved Categories taking up Major Course of Study must have obtained a minimum of 40% marks in the aggregate or 40% marks in the subject or related subjects at the previous qualifying examination, as the case may be.

(c) Seat reservation for admission in the first year class of four-year (eight semesters) degree courses of studies shall be guided by the West Bengal State Higher Educational Institutions (Reservation in Admission), Act, 2013 and the West Bengal State Higher Educational Institutions (Reservation in Admission) Rules, 2014 and Memorandum No. 339-Edn (CS)/OM-74L/2023, dt. 26.05.2023.

6. Attendance

6.1. A student attending at least 75% of the total number of classes* held shall be allowed to sit for the concerned Semester Examinations subject to fulfillment of other conditions laid down in the regulations.

6.2. A student attending at least 60% but less than 75% of the total number of classes* held shall be allowed to sit for the concerned Semester Examinations subject to the payment of prescribed condonation fees and fulfillment of other conditions laid down in the regulations.

6.3. A student attending less than 60% of the total number of classes* held shall not be allowed to sit for the concerned Semester Examinations and he /she has to take admission to the same Semester in the very next year for attending the classes and appearing at the said Semester Examination.

*Such attendance will be calculated from the date of commencement of classes or date of admission, whichever is later.

Explanation: A student who has not been eligible to appear at any Semester-end Examination in terms of Clause 6.3 may take admission to the next higher Semester and appear at such higher Semester-end Examinations. However, such student has to take admission to the concerned Semester, for which the candidate has been ineligible under clause 6.3, in the very next available chance without pursuing any other Semester Course simultaneously.

Total credit=169+3 (for summer internship) = 172

10. Disciplines:

There will be two broad disciplines: i) Science and ii) Humanities & Languages as described in clause no. (8).

Types of subjects:

i) Major Courses:

All students shall have to take 22 DSCs of one subject. In addition, students who do not qualify or opt for "4-year degree course-by research, will have to take three additional courses with provision for project based evaluation (As mentioned in the syllabus of respective subject).

Although the course contents of all minor courses are identical with some major courses of that subject, the examinations for Major and Minor courses will be conducted separately.

A college shall offer Major Courses only in such subjects in respect of which it has affiliation for Single major courses.

ii) Minor Courses:

Course content to be the same, as Major Courses of a given standard.

A student will have to take 8 Minor Courses from the same broad discipline as the Major excluding the Major subject. Students have to study 4 Minor Courses in the first two years (1 in each semester) and 4 Minor courses in the 3rd year (2 in each semester).

Of the 4 courses in the first two years 2 courses have to be taken from one subject (m1) in the 1st and 2nd semesters and 2 courses from the other subject (m2) in the 3rd and 4th semesters. All these courses are intended to be at level 100.

The exact Minor courses are specified in the syllabus of respective subjects. For any minor subject the first two minor courses (irrespective of whether it is taught in 1st or 2nd year) will be identical with the first two courses of the corresponding major subject.

In the third year (semester-5 & 6) two minor subjects in each semester will have to be taken from two different subjects. These courses are of level 200.

A minor course opted for in the 5th semester will have to be selected from among the major courses offered in the 3rd semester level (level 200).

Similarly a minor course opted in the 6th semester will have to be selected from among the major courses offered in the 4th semester (level 200).

iii) Inter Disciplinary Course (IDC):

A student will have to opt for three IDCs (one in each of the first three semesters) from a pool of courses offered in the different disciplines. These courses must be different from the major and minor subject.

iv) Skill Enhancement Course (SEC):

SEC courses are based upon skill enhancement. Student shall study 2 SECs based on Major subjects in 1st and 3rd semester. In the 2nd semester the student can study Artificial Intelligence (for Science discipline) or Digital Empowerment (for Humanities & Language discipline) or as specified in the syllabus of the concerned Major subject.

Course structure (Th, P, Tu) and credit distributions (4 TH +0P/TU; 0 TH+4P; 2 TH+2 P/TU; 3 TH+ 1 P/TU) may differ from subject to subject.

Note: There shall be no course containing only Tutorial.

v) Common Value Added Course (CVAC):

There shall be 4 CVAC courses of 2 credits each. In the 1st semester there shall be 1 compulsory CVAC in ENVS & one CVAC in Constitutional Values. In the 2nd semester there shall be 1 compulsory CVAC in ENVS & the students shall select the other CVAC from a pool of courses.

vi) Ability Enhancement Course (AEC):

All students shall have to study 4 AEC courses of 2 credits each (one in each of the first 4 semesters). There will be a compulsory AEC, named Compulsory English which shall be studied in the 1st and 2nd semesters and there will be an optional AEC (MIL/ Alt. Eng) to be studied in the 3rd & 4th semesters.

Students who have passed the Higher Secondary (10+2) Vocational Examination in Business and Commerce conducted by the West Bengal State Council of Vocational Education and Training shall be eligible to seek admission to the first year of the three-year B.Com course of studies under this University.

However, no candidate shall be allowed to take admission after a lapse of more than 3 years from the year of passing the previous qualifying examination.

(Explanation: The year of admission shall not be taken into account while calculating three years from the year of passing the previous qualifying Examination).

4. (b) Students who have passed the Higher Secondary (10+2) Examination or its equivalent from the All India Boards/Councils (i.e. CBSE, ISC and National Institute of Open Schooling) need not require to submit the Migration Certificate for getting Registration under this University.

5.For the purpose of determining eligibility for admission to the Four-Year B.Com. Honours or Honours with Research / Three-Year B.Com Degree Courses, aggregate marks shall be calculated by adding the marks in top-four subjects in order of marks secured by a candidate. However, marks in compulsory Environmental Education/Studies shall not be taken into account for calculation of aggregate marks. However, if the subject "Environmental Science" is studied as an elective subject of 100 marks, it may be taken into account for the purpose of determining the aggregate marks.

(a) A student taking up Four-Year B.Com. Honours or Honours with Research Course of study in a subject must have obtained:

i. A minimum of 50% marks in the aggregate and 45% marks in the subject or **related subject** at the previous qualifying examination.

Or

ii. 55% marks in the subject or related subject at the previous qualifying examination.

(b) However, students belonging to the scheduled caste or scheduled tribe community taking up 4-year honours course of study must have obtained a minimum of 40% marks in the aggregate or 40% marks in the subject or related subject at the previous qualifying examination, as the case may be.

(c) Related subjects: Accountancy, Business Economics including Business Mathematics, Business Organization, Mathematics, Business Mathematics, Economics, Statistics, Business Studies, Office & Secretarial practice, Financial Accounting, Elements of Cost Accountancy and Auditing, Book keeping, Commerce, Cost Accountancy and Principles of Management, Commercial Law and Preliminaries of Auditing, Costing & Taxation.
