on
Students Seminar
Conducted by
Department of Computer Science, Maheshtala College.

Title : Presentation by students of Computer Sc. Dept.

Date : 28th August, 2020.

Preamble :
Presentation by the Students of Computer Science Department of Maheshtala College has been conducted on 28th August, 2020, by Computer Science department of Maheshtala College using Google Meet.

Through this type of presentation, teachers can understand the progress of a student regarding the course. As Institution is closed due to COVID pandemic situation, so, online teaching learning is the only way.

Presentation 1:
Sriti Sardar, Computer Sc. (Hons.), Semester-5
Topic : Digital Image Processing.

Presentation 2:
Md. Abu Shaeed Ali, Computer Sc. (Hons.), Semester-3
Topic : DDA Algorithm.

Presentation 3:
Chandan Kumar Mahato, Computer Sc. (Hons.), Semester-3
Topic : Operating Systems Introduction.

Presentation 4:
Utsav Baitha, Computer Sc. (Hons.), Semester-3
Topic : Graph Theory.

Description :
Students presented very nicely one by one.

The whole session was interactive and the students answered many queries of the teachers. Besides, teachers also gave their valuable suggestions so that, they can improve further.
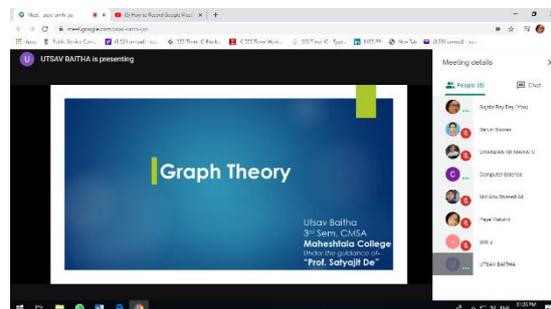

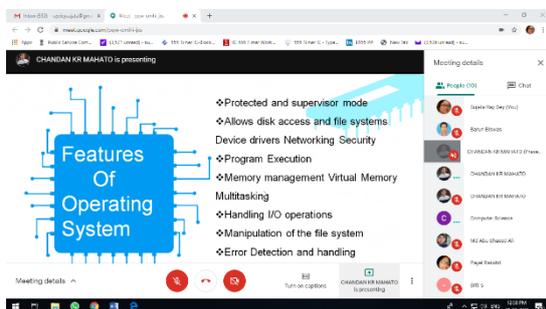

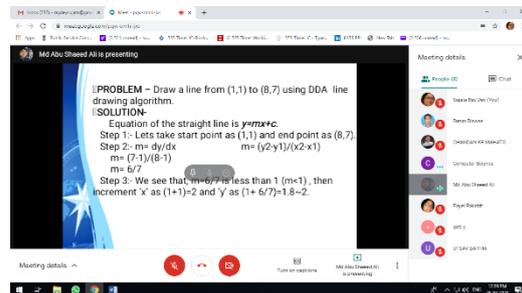

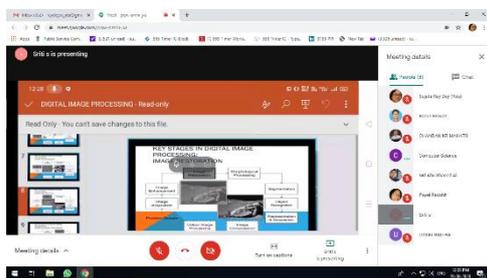

Feedback :
All the students were very much encouraged and wanted to perform such presentations regularly to improve themselves.
