The College has a well-wrought mechanism for maintaining and organizes physical, academic and support facilities – laboratory , library, gym , computers and classrooms. Classrooms are cleaned daily by the concerned support staff (casual) of the college.

Regular monitoring of electrical equipments and fixtures is done and repaired as and when needed by local electricians, under the supervision of College staff . Class routine is designed in such a way that there is maximum utilisation of infrastructure and classrooms. All gadgets are protected by annual maintenance contract (AMC), and digital and software equipment have online AMCs. There is a Campus Maintenance Subcommittee to look after the well-being of all infrastructure and Governing Body , on the recommendation of Finance Subcommittee looks into the proper utilisation of physical , academic and all support facilities. The librarian conducts orientation programmes to guide the new users every year to handle books and online resources.
